

# Restart TV

lets you restart  
programs in progress

Running a little late getting home? Relax! With Restart TV, you can go back to the start of a favorite show that's already begun – just press the green button. Do the same if you see a movie playing that you want to watch in its entirety.

## Restart TV is a FREE feature

- Available on virtually all channels as indicated by the green Restart icon
- Gives you flexibility with your TV program viewing and schedule
- Restart a show already airing by the press of one button
- Offers the convenience of pause or rewind a Restart TV program while in session
- Programs can be restarted multiple times during the live time frame
- Programs can be recorded on DVR after program has been restarted

## Restart TV - Using the Program Guide and Browser Bar

- Restart TV Programming is indicated by the Green and White Restart icon next to the channel
- Highlight the program you wish to watch and press the GREEN button on your remote to Restart the program from the beginning

## Restart TV - Using the What's Hot App

- All Restart TV programming in the What's Hot App is indicated by the green and white Restart icon next to the channel information below the program title
- Highlight the program you wish to watch and press the GREEN button on your remote to tune to the program and watch it from the beginning

## Pause Live TV - Using DVR Functions On Remote

- All set top boxes will now pause live TV. To pause live TV at any time push the pause button **||** on your remote located with the DVR functions. To undo pause push start arrow  or Live button on your remote.
